Your gateway to bedding and beyond in Asia

Intertextile Shanghai Home Textiles – Spring Edition is Asia's premier trade fair for finished home textile goods including bedding, towels, carpets, and bath items. The 2025 show hosted over 370 exhibitors and 25,000 visitors, highlighting innovative designs in comfort and style.

Consumer demand across Asia is increasing, especially for smart bedding and wellness-focused home decor. The bed and bath linen market in the Asia-Pacific region is poised for significant growth, driven by urbanisation, rising incomes, and a growing preference for comfort-oriented products.
